

Puzzi 100 Spray Extractor

Puzzi 100 Spray Extractor

Easy cleaning of textiles, carpets and upholstery.

The perfect sized extractor for offices, hotel-motel rooms, entrances and emergency spot cleaning in any facility. Weighing only 23 lb., this machine carries up and down stairs without strain. A convenient wand clip in the handle means there is nothing extra to carry when transporting. A very high solution recovery rate is achieved with the powerful vacuum motor. Perfectly balanced floor tool, hand tool, and flexible hose are included as standard equipment. For more versatility, add a hard surface adaptor to have your Puzzi double as a wet vac, or choose window, wall, and ceiling cleaning kits for dazzling streak-free results.
