

# SUMMER SAVINGS

**NEW** **HYScent Dual**  
**Finally. An odour control device for large rooms.**

The HYScent Dual's dual-fan technology was designed to ensure that its air-in, fragrance-out system provides a consistent scent that is never overpowering yet always present. In addition to exhibiting superior functionality, the HYScent Dual is one of the greenest devices on the market, utilizing fragrances that are comprised of pure essential oils and cartridges that are recyclable.

**HYSCENT**

**Not just for washrooms!**

The HYScent fragrances are designed to be used throughout a facility to create an inviting and pleasant environment. Scents include Linen, Mango, Ocean, Pomegranate Plum, Red Raspberry, Vanilla, Waterlily and West Indian Lemongrass. Arrange for a sensory consultation today!

**NEW** **Janibell XO**  
**Versatile, Efficient and Eco-friendly Waste Receptacle.**

Janibell XO holds a full 23 gallons of waste in a unit that has a separation, the XO takes up very little space! Plus, with each unit's purpose so clear, properly sorting the trash - or potentially hazardous materials - is easy.

**Infection and Hygiene Control**

The XO's optional lid and foot pedal allow for hands-free operation and complete waste containment. Like all Janibell receptacles, XO helps prevent the spread of pathogens, viruses and bacterium such as C-DIFF by containing and minimizing exposure to the waste.
