Rubbermaid® BRUTE® 44 Gallon Utility Containers & Lids

The BRUTE® utility container features innovative solutions for making waste collection more efficient, along with the quality, durability and superior performance. It has four integrated venting channels which dramatically reduce the force required to remove a filled can liner by over 50%. By reducing the force required to lift out liners the Brute improves productivity and reduces risk of injury. Integrated cinches secure can liners, meaning knot-free liner changes. Contoured base handles improve grip, reduce strain and improve efficiency when emptying containers. Rim features integrated rib structure to increase strength and resist crushing. Meets NSF 2. 21 approval and is USDA Meat and Poultry Group listed, ensuring regulatory compliance for food storage and clean ability. Stackable design enables nesting for easy transport and storage. Seamless construction makes cleaning the container easier.
