Ansell Sol-Vex® Nitrile Glove

Sol-Vex unsupported, premium-quality, nitrile gloves provide an outstanding combination of strength and chemical resistance and have proven to be a superior choice over rubber or neoprene. Embossed texture improves grip for wet, slippery objects. Absorbs perspiration, feels comfortable on the hand. Won't swell, weaken, or degrade, and they offer better protection against snags, punctures, abrasion, and cuts. Doesn't promote contact dermatitis. Component materials comply with FDA reg. for food contact.
